Mick Hatley

Virginia Director

Hatcher Overton

Director at Large

Brian Cothran

Region II Director

Charles Brown

Affiliate Representative

Jimmy Walker

Executive

Secretary-Treasurer

Raymond K. Paden

## Exhibitors, Speakers and Attendees Make 2015 Fall Conference a Success

The 2015 Fall Conference is now history, but it lives on in our memories and in the photos that you will see inside this issue of *Southwind*. Although turnout was hampered by the recent flooding in South Carolina, more than fifty motor shop personnel and thirty-one Exhibitors were registered for this meeting. The Program included hands-on workshops on seals and alignment, the EASA Seminar “Balancing Tips: In-House and On-Site,” and a tour of Advanced Energy laboratories in Raleigh. Of course, as always, the conference included plenty of good food, fun and fellowship with friends, competitors and networking contacts from other chapters and ours.

The officers, directors and staff of the Southeastern Chapter wish to all of our members and friends a merry Christmas, a pleasant and restful holiday season, and a happy and prosperous new year!

## Two Popular EASA Seminars to be Held in Our Region Next Year Chapter to Subsidize Attendance for Members

In 2016, the Electrical Apparatus Service Association will present two of its most popular technical seminars within the geographic territory of Region II. As a part of our ongoing efforts to encourage participation and enhance technical training opportunities for our members, the Southeastern Chapter Board of Directors has committed to provide a substantial subsidy for attendance at these events by our chapter's member firms. Southeastern Chapter members in good standing will receive a rebate equal to one-half of the EASA Member “early-bird” registration fee for one person at either or both of these two-day classes. Only one rebate will be issued per member firm, per class. Rebates will be issued within thirty days following attendance at the seminar.

Date	Seminar	Location	Rebate
March 11, 2016	Fundamentals of Pump Repair	Orlando, FL	\$219.50
May 13, 2016	Root Cause Failure Analysis	Atlanta, GA	\$244.50

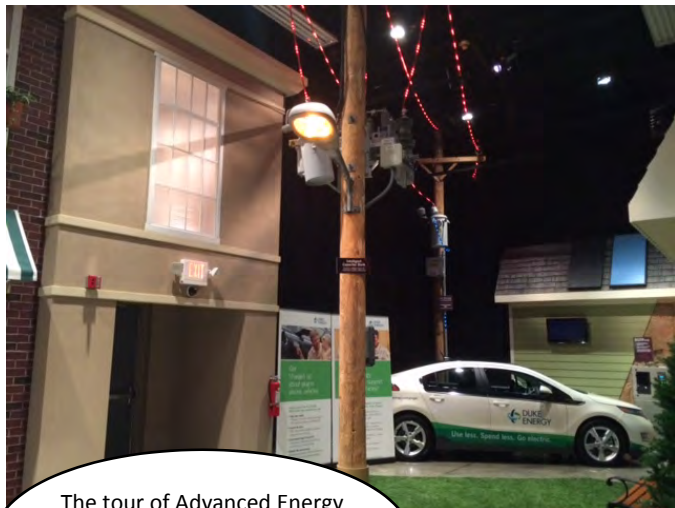

Register for these and other seminars [here at easa.com](http://www.easa.com)

***Don't miss this opportunity!***

## 2015 Fall Conference Exhibitors

As always, the Southeastern Chapter extends a very special "thank you" to all of our exhibitors. Your contributions make our Fall Conference possible, and your active participation makes it a success!

**Advanced Rotors Inc.**  
**Baldor Electric Company**  
**Bartlett Bearing Co., Inc.**  
**Brook Crompton North America**  
**Coil Manufacturing, Inc.**  
**Danfoss LLC**  
**EIS**  
**Essex Brownell**  
**Fuji Electric Corp. of America**  
**Gaddis Inc.**  
**Helwig Carbon Products, Inc.**  
**Intertape Polymer Corp**  
**Jasper Electric Motors Inc.**  
**Jenkins Electric Co Inc**  
**Landgraf-McAbee Inc.**  
**Morgan AM&T**  
**Nidec Motor Corporation / U.S. Motors**  
**North American Electric Inc.**  
**Open Systems Inc.**  
**Paragon Atlantic**  
**Phenix Technologies**  
**Precision Electric Coil**  
**Precision Electric Motor Sales**  
**South-land Carbon Products**  
**Spring Point Solutions**  
**Star Technology**  
**Techtop Motors**  
**Tigertek, Inc.**  
**Universal Coil Manufacturing**  
**WEG Electric GA**  
**Wolters Motors & Drives**

The tour of Advanced Energy included fascinating energy demonstrations and exhibits.

State of the art motor testing labs at Advanced Energy

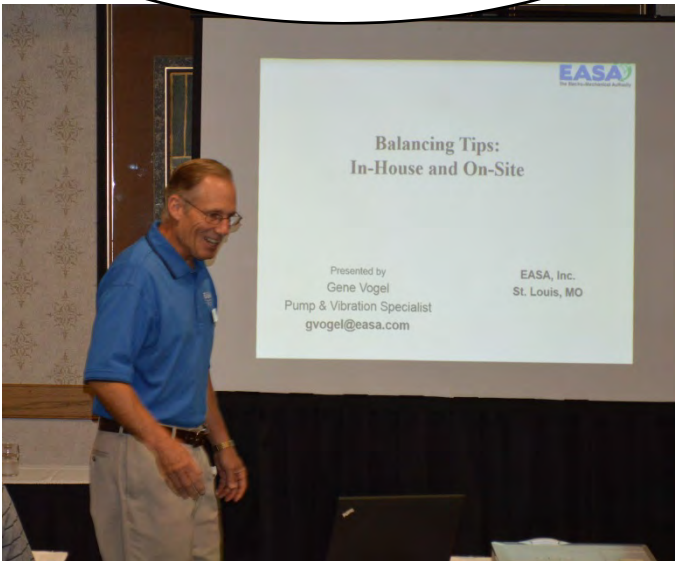

The Exhibit Hall is a great place to meet friends, see the newest products, and win great door prizes!

We were excited to host International Chairman Mike Dupuis (left) and his lovely wife Carol at our Fall Conference. EASA Technical Support Specialist Gene Vogel (below) was a featured speaker.

### In Memory of Leslie Jenkins

The Southeastern Chapter extends its sympathy and condolences to the family and friends of Leslie May Blyth Jenkins, who passed away Sunday, November 1, 2015. Leslie was the wife of Edward Jenkins and mother of Iain Jenkins of Jenkins Electric in Charlotte, North Carolina. Edward and Iain are both long-standing members, supporters and leaders in our chapter, and our thoughts and prayers are with them in this time of loss.

## Don't Forget to Request a REBATE of your annual dues... provided you attended the Fall Conference!

Active and Affiliate members of the Southeastern Chapter who attended the 2015 Fall Conference with a full registration (Managerial, Technical or Spouse/Guest) are eligible to apply for a rebate of their 2015 Chapter Dues (\$100 for Active Members and \$50 for Affiliate Members) but you must apply in order to receive the rebate. Attendees who were eligible should have found a rebate form in their registration packet, but additional forms can be requested from the chapter office or downloaded from our website at [easasoutheast.org/fallconference](http://easasoutheast.org/fallconference). Just fill one out and fax or email to the chapter office.

Rebates that are not claimed will be considered donated to the chapter, and will be greatly appreciated. All such donations will be listed in the first quarter Southwind next year.

## When "Just In Time" Just Isn't Good Enough!

The rebate on International dues is an important part of your chapter's annual budget.

Please make certain that your payment is received at EASA HQ **no later than the last day of February.**

In accordance with new provisions of EASA International Governing Policy 19, U.S. chapters will receive only a five-percent rebate on member dues that are received at EASA International headquarters March 1 to March 31. **Chapters will receive no rebate** on dues received "late" (after March 31).
